

Shoreline City Council Recap for June 2010:

Much of June was spent reviewing transportation within Shoreline and its relation to the wider region. Transportation issues are always ranked high as important issues for Shoreline residents. That is why providing safe, efficient and effective infrastructure to support transportation has been one of the Council's goals for the past several years. The Aurora Corridor project is on schedule and can be considered the backbone of the City's transportation infrastructure.

Below is a recap of the Shoreline City Council's work for the Month of June:

Studied

- Future plans for Aldercrest and Cedarbrook school sites
- Changes to Economic Development Advisory Committee
- Apprenticeship Utilization Requirements for public works projects
- 2011-2016 Capital Improvement Plan and Transportation Improvement Plan
- Transportation Master Plan update: sidewalk maintenance and design issues; bicycle policies; and transit and light rail
- North corridor light rail process

Public Hearings

- Proposed 2011-2016 Capital Improvement Plan and Transportation Improvement Plan

Action Taken

- Authorized City Manager to enter into King County Animal Control Interlocal Agreement and the King County Enhanced Control Services Contract
- Authorized the 2011-2016 Capital Improvement Plan and the Transportation Improvement Plan
